EDUCATION

Technological University of the Philippines

Bachelor of Science in Computer Science (2021 - Present)

PROJECT(S)

Baybayin Translator

March 2024

Designed key UI features for a Baybayin Translator App, including a custom drawing pad and upload functionality, enabling AI-powered script translation.

EZ minute (Meeting Minute-Taker using NLP)

December 2024 - Present

Designed the UI for a meeting documentation app using Qt Designer, creating features like a Quillbot-inspired 'Generate' tab with a zoom-in option for focused views. Utilized Python for core functionality and NLP to generate concise meeting minutes from transcribed audio.
